Door Prizes-End of the event

Dear YMCA *Strong Kid Campaign* Supporters,

We want to welcome you to "A Sweet Deal," this year's annual Sport Night auction. We are pleased that you are able to share in this fun and exciting event!

Without the generous support and participation from communities throughout Dodge County this event could not happen. Whether your donation was the purchase of a ticket, a banner, an auction item, or working to pull this event together, your support is greatly appreciated and we thank you.

Please remember what a great cause this event supports: The *Strong Kids Campaign*. All proceeds will be directed to ensure that no person is turned away from YMCA programs, membership, and a lot of activities because of their inability to pay. The *Strong Kids Campaign* provides program support and financial assistance to families who need it most throughout our Dodge County.

Thanks again for attending and supporting tonight's event.

Jen Krueel
Executive Director
YMCA of Dodge County

Live Auction Procedures

The Live Auction will begin at 8:00 PM, Saturday, February 13, 2010 at Old Hickory Golf Club.

To enter a bid, the bidder raises his or her hand directing the signal to either the auctioneer or to one of the spotters, whose job it is to relay bids to the auctioneer. Numbers are assigned to you during registration.

The highest bidder acknowledged by the auctioneer shall be the purchaser. All sales are final upon the pronouncement by the auctioneer of the number of the bidder and the word "SOLD." The cashier will record the final bid at that time.

In the event of any dispute between bidders, the auctioneer shall have sole and final discretion, either to determine the successful bidder or to re-auction the article in dispute.

All purchases must be paid for in full at the conclusion of the auction at the cashier's table. Cash, personal check, VISA, or MasterCard are all acceptable (sorry we do not accept American Express or Diners Club). Unless otherwise specified, the buyer must take all items on auction night. Items may be removed only after surrendering a "PAID" receipt at the pick-up area.

Unless otherwise specified, all auction certificates must be used within one year of February 13, 2010.

Unless specified, dates and times are to be arranged at the mutual convenience of the donor and buyer. Please take careful note of the specific restrictions and dates on the trips, resort stays, etc.

All sales are final and there will be no exchange or refund on any items. While every reasonable effort has been made to describe each item correctly and services are sold "where is" and "as is," the YMCA makes no warranties or representations expressed or implied of any kind with respect to any item or service sold.

By purchase, the buyer waives any claim of liability against either the YMCA of Dodge County or the donor of the item or service. Neither the YMCA nor the donor is responsible for any personal injury or damage to property that may result from the use of the items or services sold.

17. Some Are Comparing Him to Steve Young...

Just like Steve Young, [Aaron Rodgers](#) spent a few years of his career on the bench behind Favre. Watching and learning, game in and game, out has no doubt helped Rodgers learn the game that he plays so well today.

Like Steve Young, Rodgers was of course questioned in every interview on "How are you going to follow the legend?" Some fans felt Rodgers was good, others expected him to fail and see the [Packers](#) fall from grace, all the way down to an under performing team.

That scenario never happened though. Rodgers stepped up to the plate and delivered. Sure Green Bay finished 6-10 last season, but look at him now, guiding the Packers to what could be a possible NFC Championship, and Rodgers has already established himself as one of the elite quarterbacks in the NFL today!
